Local Detroit TV Asks for Stories of Unvaxxed Dying from COVID – Gets over 180K Responses of Vaccine Injured and Dead Instead

The corporate media narrative that unvaccinated people are filling up the hospitals and dying from COVID is quickly falling apart, perhaps faster than they even expected.

WXYZ TV Channel 7 in Detroit asked their viewers on their [Facebook Page](#) ^[1] last Friday to direct message them if they lost a loved one due to COVID-19 if they refused to get one of the COVID-19 vaccines.

This is a clear indication that they are getting desperate to find these stories, and are having a difficult time finding them.

I don't know if they got any such stories through direct messaging, but the post on their Facebook Page, as of the time of publication today, had received over 182,000 comments, and they seem to be all comments of those who have lost loved ones after receiving a COVID shot, and comments asking them why they are not covering that story.

I paged through many dozens of the comments, and did not see a single one stating that they lost someone to COVID after refusing a COVID-19 shot.

People who have been silenced and censored on Facebook and other Big Tech platforms took advantage of the opportunity to share their stories instead. It is amazing that Facebook left these up, but after so many had commented, it would probably have been an even bigger story if they had taken down the post and comments.

I wonder what WXYZ will do now? Will they do what most corporate media companies do, fueled by almost unlimited resources from their billionaire Wall Street owners who are almost all connected to the pharmaceutical industry, and just go out and hire actors instead to do the story and make them up?

Here are a few screen shots of the comments that are representative of what people are posting, in case they do take this down.

A friend of a parent went into cardiac arrest almost immediately after receiving second dose. They were unable to revive her.
I also know of someone who lost a limb due to a blood clot/circulation issue after being fully vaccinated.
Hm. From the looks of the comments, you might want to change your story topic.

Losing anyone is hard. I absolutely feel for each of these folks. Just curious, when is the story coming about those who lost loved one's who were fully jabbed?

It's about 4 weeks after the 2nd shot for me.... I have chest pain all the time.... im terrified I'm going to drop dead of a heart attack (especially after reading the comments).
I've gone for an echocardiogram and have bloodwork later today to try and figure out my heart. I'm a very healthy professional athlete and registered nurse, 35 yr old. I had Moderna x2.

WXYZ-TV Channel 7 I noticed you aren't replying to any of these comments...you want to really gain some watchers and followers... then bust this thing wide open and report on all of these people who've lost their loved ones to the vaccine !!

Crazy that most of the comments here are the polar opposite of what **WXYZ-TV Channel 7** was looking for to fuel more fear into the public. Why don't you report what is ACTUALLY happening?!

My parent's neighbor woke up the next morning after the shot suddenly completely deaf. His doctor told him it's from the vaccine and if his hearing didn't return within a few weeks he will be permanently deaf. He is now permanently deaf.
Our rabbi's mentor (a very prestigious rabbi) was recovering from covid in a rehab facility. He was doing well, walking and about to be discharged home. The facility forced him to take the vaccine because it became their policy, even though he refused. He immediately developed paralysis in one arm. They then forced the second shot on him, he refused again, but the facility insisted. After the 2nd shot he developed complete, progressive paralysis and died.
Why do we not see these stories in the news? Why are journalists silent on the thousands of vaccine injuries leading to permanent disability and death? What happened to honest journalism? Please report these stories in the news!

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.
